

The Quick Link From Your BlackBerry To Your PC!

What's a Tazzle? The revolutionary Tazzle™ IT USB Key turns any Win PC and its printer into a secure peripheral for your BlackBerry®. Day Warriors: No need to carry extra devices or cables! Tazzle IT makes your BlackBerry a remote control for PowerPoints and Cloud-Based Google Presentations, too!

VIEW your email content and files, CONTROL PC Presentations!
PRINT wirelessly to any Windows® PC's printer!
SEND your photos directly to the PC to VIEW or SHARE.

Transfer light data such as email content, JPEGs, PDFs, DOCs, spreadsheets. One clicks sends selected email content to the PC in DOC or HTML format. When done, Tazzle automatically deletes them, unless you choose to save them. Send directly to your own laptop when there's no net available!

How it works: Tazzle-ing requires no network access, subscription fees, or complex configuration; just a 3gm Tazzle IT Bluetooth-equipped key with proprietary hardware firewall, secure companion software, and a PC with a USB port. View and print in any format supported by the PC!

Tazzle IT's one-way "push" technology prevents unauthorized access to PC files and protects BlackBerry data, unlike cables. Leaves no trace on servers. Keep it plugged into your laptop with no worries about overheating or battery consumption. Tazzle IT doesn't utilize or interfere with standard PC Bluetooth hardware or drivers. Works anywhere, anytime. No difficult pairing rituals.

Setting Up the Tazzle IT:

1. Download the self-installing Tazzle App for BlackBerry and the Tazzle Desktop installer for PC.
2. Securely pair Tazzle IT from your BlackBerry using Bluetooth.
3. Choose "View", "Print", or "Save" on the PC's Tazzle Desktop. New menu items appear when the Tazzle App is on. Send BlackBerry email, or pictures with a click, or press on a file's name to send it straight to the PC! Activate "Remote Control" mode from the Tazzle App, turning your BlackBerry into a remote control for presentations.

How to Use the Tazzle IT on other PC's:

Simply insert the Tazzle IT into the PC's USB port, choose to "View", "Print", or "Save" on the PC's Tazzle software, then Tazzle from your BlackBerry!

- **FASTEST BlackBerry Printing!** Send email content, files directly to any PC's printer!
- **Unique "Portable" Pairing:** Your Tazzle IT paired to your handheld instantly *links securely to any PC* running Tazzle software!
- **"Tazzle It!" BlackBerry Menus:**

- **Choose What You Want To Do:** Select "View", "Print", or "Save" on the PC to automatically handle file after file! **Control** presentations!
- **Share Documents on YOUR terms:** Show sensitive docs & presentations to co-workers, customers, and others, then take them with you without leaving a copy behind!
- **Tazzle Anywhere, Anytime:** Network access is not required to *Tazzle* files from your BlackBerry device memory or media card to PC!
- **No Fear of Data Loss:** Even if Tazzle IT is lost, your data is safe!
